Welcome to 3D Secure Service

3D Secure is a new service from NMB Bank Nepal in association with Visa that lets you shop online securely with your existing Bank Credit & Debit Card which may be used on merchant websites that subscribe to services of "Verified By Visa" (VbV). 3D Secure Service confirms your identity through a simple check process when you make online purchases. 3D Secure Service provides you with a password to protect your online transactions just like you use your PIN at the ATM

Register Now

Credit & Debit Cards

Registration for Verified By Visa is a mandatory requirement to make online purchases using your Bank Credit & Debit Cards. For your security we have enabled online purchases only for merchants who have subscribes to Verified By Visa. This is so that you can authenticate yourself at the time of purchase by entering your password and no one else can misuse your card.

Registration Screen Step 1

On clicking “Register Now” Button, cardholder will be routed to the first screen in Offline Registration.

Card Holder need to enter the below details

1. **Card Number** : Number on Card provided by Bank
2. **Expiry Date** : Expiry Date of the Card
3. **Date of Birth** : Date of Birth registered with Bank

As part of validation, ACS will verify the details with Bank to confirm the authenticity of the Card Holder.
